

Single-pole, 1-channel, flush-mounting RF receiver

05-331

4 year
warranty

This mini-receiver is used for lighting control. It is very easy to mount due to its compact dimensions. It has a 1-pole, 10A/ 230V AC switch contact. The device works with both wall-mounted and hand-held transmitters in 1- or 2-button mode. You can choose from 3 modes for the on/off functions.
