Niko finishing sets

EXPORT JANUARY 2015

Table of finishing sets

in Bakelite® look, steel grey and gold

Niko adds to its Niko Pure design line with flush surround plates that are rich in emotion and form the perfect match for contemporary interiors. For the Niko Pure flush surround plates Bakelite® piano black, Bakelite® chocolate, alu steel grey and alu gold, the main functions are available in a colour-on-colour central plate.

The following table contains the item codes for easy reference.

Bakelite®-look piano black coated	Bakelite®-look chocolate coated	steel grey coated	gold coated
			
XXX = 200	XXX = 201	XXX = 220	XXX = 221

	Home automation with Nikobus and wireless control
XXX-00001	Single key for wireless switch or push button with 2 control buttons
XXX-00007	Double key for wireless switch or push button with 4 control buttons
XXX-00015	4-fold key for wireless switch or push button with 8 control buttons
	Niko Home Control
XXX-51001	Single push button
XXX-51002	Double push button
XXX-51004	4-fold push button
XXX-51006	6-fold push button
XXX-51033	Single motor control
XXX-51036	Double motor control
XXX-51043	Single dimming control
XXX-51046	Double dimming control
XXX-52001	Single push button with LED
XXX-52002	Double push button with LED
XXX-52004	4-fold push button with LED
XXX-52006	6-fold push button with LED
XXX-52033	Single motor control with LED
XXX-52036	Double motor control with LED
XXX-52043	Single dimming control with LED
XXX-52046	Double dimming control with LED
XXX-52054	Ventilation control with LED
XXX-55511	Finishing set for indoor motion detector
	Dimmers
XXX-31000	Finishing set for rotary dimmer or speed controller
XXX-31001	Finishing set for push-button dimmer
XXX-31003	Finishing set for universal rotary dimmer plus or extension
	Media
XXX-65100	Central plate data communication 1 x RJ
XXX-65200	Central plate data communication 2 x RJ
XXX-69416	Socket outlet with HDMI/screw connection
XXX-69417	Socket outlet with HDMI/HDMI connection
XXX-69551	Finishing set for single coax connection for TV, FM and satellite
XXX-69702	Finishing set for single or multiple coax connection for TV and FM Telenet Interkabel
	Motion detectors
XXX-78010	180° motion detector with 10 A switching contact, 230 V, 8 m
XXX-78011	180° motion detector with 10 A switching contact, 230 V, 8 m
XXX-78020	180° motion detector with a potential-free contact, 4 A, 230 V, 8 m
XXX-78021	180° motion detector with a potential-free contact, 4 A, 230 V, 8 m

XXX-78040	180° motion detector, 2-wire 40-400 W, 230 V, 8 m
XXX-78041	180° motion detector, 2-wire 40-400 W, 230 V, 8 m
	Flush-mounting switching material
XXX-40000	Finishing set for 4-fold potential-free push button 24 V
XXX-40100	Finishing set for 4-fold potential-free push button 24 V with LEDs
XXX-60001	Finishing set for 6-fold potential-free push button 24 V
XXX-60005	Finishing set with lens for single switch or push button
XXX-60100	Finishing set for 6-fold potential-free push button 24 V with LEDs
XXX-61105	Finishing set for single switch or push button
XXX-61106	Finishing set for two-way switch for mechanical motor control
XXX-61505	Finishing set for series switch, two-way switch + N.O. push button, double two-way switch or double N.O. or N.G. push button
XXX-61507	Finishing set with double lens for series switch, two-way switch + N.O. push button, double two-way switch or double N.O. or N.C. push button
XXX-61901	Finishing set for hotel card switch
XXX-64006	Finishing set with transparent ring without symbol for 6A push button with amber LED with E10 lamp base
XXX-65905	Finishing set for double shutter switch
XXX-65914	Finishing set for double shutter push button
XXX-65918	Finishing set for double shutter push button for electronic control
XXX-65936	Finishing set 1-2-3 for rotary switch for motors
XXX-66101	Finishing set for socket outlet with earth pin and safety shutter, flush-mounting depth 21 mm
XXX-66601	Finishing set for socket outlet with earth pin and safety shutter, flush-mounting depth 28.5 mm
XXX-66603	Finishing set for socket outlet with cover, earth pin and safety shutter, flush-mounting depth 28.5 mm
XXX-66607	Finishing set with transparent lens for socket outlet with voltage indication, earth pin and safety shutter, flush-mounting depth 28.5 mm
XXX-66901	Finishing set for socket outlet with side earthing and safety shutter
XXX-66908	Finishing set for socket outlet with side earthing, safety shutter and voltage indication module
XXX-68001	Finishing set for USB charger
XXX-76901	Blank plate
XXX-78100	Finishing set for digital clock thermostat
XXX-78300	Finishing set for digital shutter switch
XXX-88000	Electronic thermostat
XXX-88001	Analogue thermostat without claws, base and finishing set
