

# Splashproof garden post with double socket outlet, pin earthing and spike, white

**701-36625**

**4** year warranty

The garden post includes two socket outlets (16 A/250 Vac) with pin earthing, shutters and plug-in terminals. It has an IP55 protection degree and is equipped with a spike that needs to be driven directly into the earth. Its functional and beautiful design makes the garden post a perfect fit for outdoor areas, such as on terraces and in outdoor kitchens. Moreover, the entire unit is splashproof, which makes it extremely well-suited for use in damp areas and demanding environments.

## Technical data

Splashproof garden post with double socket outlet, pin earthing and spike, white. Handmade product: small deviations in form may occur

- Function: – wall socket outlet
  - contact buses with a large contact surface that do not rest on the base in order to be connected
