

Compact power supply for DALI bus systems

350-70985

4 year warranty

This compact power supply is used to supply power to the DALI bus and its connected control devices. The power supply can either be integrated in the luminaire itself, or placed on the suspended ceiling. The maximum load is 250 mA.

Technical data

Compact power supply for DALI bus systems.

- power supply voltage: 85 to 265 V, frequency 50/60 Hz
- standby consumption: < 1 W
- output: DALI
- output voltage: 16 Vdc + - 5 %
- max. load DALI output: 250 mA/4 W
- air humidity: 20 - 95% RH, non condensing
- Maximum MCB rating: 10 A (limited by national installation rules)
- Ambient temperature: 0 – 50 °C
- Protection degree: IP20
- Dimensions (HxWxD): 30 x 28 x 190 mm
- Marking: CE

CE
