

Single surface-mounting box for all flush-mounting devices from the Niko Original series, light grey

102-77100

4 year
warranty

The single surface-mounting box in Niko Original Cream is used to install a flush-mounting function in certain circumstances, for example, when the thickness of the walls is insufficient. Can be used for all functions except the time switch. Finishing colour: light grey

Technical data

Single surface-mounting box for all flush-mounting devices from the Niko Original series, light grey. Surface-mounting box for 1 device. The box is mounted directly on the wall. Conduit fittings 5/8" or 3/4" can also be mounted. The device (switches, push buttons, indicator lamps, no time switches) is screwed to the box. The screws are included. The box is made of dimensionally stable pc+asa. The raw material is coloured in the mass, light grey. Dimensions: 158 x 87 x 37mm. CE marked.

- Protection degree: See protection degree of the mounted function
- Marking: CE
